Dear Sir:

The U. S. Army Strategic Intelligence School would be appreciative if speakers could be designated to present the indicated lectures to the students of the 1962 Strategic Intelligence Officer Refresher Course (Reserve Component). This is the course for reserve officers given each summer and formerly known as the "Associate Course."

As in the past in order to complete our scheduling, we will need by 20 May the names of the speakers, their telephone extension, and the classification of their lecture. The school's action officer for these classes is Lt Colonel Wyly K. Jones, Code 11, Extension 64078/62575, who, subject to your approval, will be authorized direct liaison in administrative matters covering these classes.

Again, may we express our appreciation for your continuous, outstanding support at this school.

Sincerely yours,

LEE WALLACE
Colonel, Infantry
Assistant Commandant
